## **ANNUAL REPORT**

for the

Town

For the Fiscal Year Ending DECEMBER 31, 2002

Digitized by the Internet Archive in 2009 with funding from Boston Library Consortium Member Libraries , D17 2002

#### **DEDICATION**

We proudly dedicate the 2002 Danbury Town Report to the men and women who have contributed over the years to the overwhelming success of the Danbury Community Center.

In 1993, a small group of visionaries began to pursue acquiring the Baptist Church property adjacent to the town hall as a future community center. Through the efforts of the Danbury Workshop, money was secured from the Office of State Planning Community Development Block Grant Program to relocate and renovate the Baptist Church to its present location overlooking the center of town. In the fall of 1998, the hopes and dreams of the townspeople were realized when the doors of the new Danbury Community Center officially opened. Since then, the center has become the focal point for Danbury's social and recreational activities.

In 2002, the community center offered a variety of activities such as trips to the Monarch's hockey games, the Museum of Science, movie and pizza nights, a winter carnival, Senior St. Patrick's Day Concert, pre-school eye screening, summer recreation programs, an after-school program for K-5, college financial planning, crafts, dancing, cribbage, yard sales, fencing camp, senior lunches, historical society antique appraisal days, NH Fish & Game Snowmobile Safety Class, Girl Scouts and 4-H, Danbury Garden Club activities, books sales, Community Thanksgiving Pot Luck Dinner and Halloween Craft Day. We have probably omitted as many activities as we have listed above.

During 2002, the Danbury Community Center received a 21<sup>st</sup> Century Community Learning Center Block Grant. The amount of the grant is \$500,000.00, and it will be distributed over the next five years in order to continue with the excellent variety of programs and services which were envisioned almost ten years ago. It should be noted that our community center was the only community-based organization to be so recognized for funding. The other recipients were school districts. The DCC, as it is affectionately known around town, was also the recipient of an Outstanding Afterschool Programming award, given for outstanding out of school programs for children.

We are proud to dedicate this year's town report to all those people who have worked tirelessly to provide Danbury with such a bountiful array of quality community services.

## Selectmen's Annual Report For Year Ending 12/31/2002

First of all, we would like to announce that the selectmen's office now has an e-mail address. It is <u>danburyselectmen@tds.net</u>.

The old highway garage on North Road was sold in 2002, as was one townowned lot in Echo Glen. This means that these properties are once again on the tax roles, providing revenue to the town.

We would like to thank Andy Phelps for the signpost and planter at the town hall. We would also like to express our appreciation to all the other townspeople who give of themselves and their time on the various boards and committees. Your contributions make our job just that much easier. In particular this year, we wish to thank Phyllis Wiggin for her years on the Danbury Fast Squad and as a trustee of the George Gamble Library and a commissioner of the Danbury Volunteer Fire Department. Best Wishes!

Following over a year's work, the Newfound Area School District's School Space Needs Committee has developed a comprehensive plan for needed renovations and repairs to the elementary schools in Danbury, Bristol and New Hampton, and for the Newfound Memorial Middle School. We urge all voters to favorably consider adopting the plans for the four schools in the Newfound Area School District. Information is on file at the town hall for your review.

At the last town meeting, an article was introduced requesting that the manner in which we choose our police chief be changed from elected to appointed. This was defeated. As the selectmen feel that this is an important issue, you will find it on the warrant once again. While we appreciate the need of the voters to choose their leadership, we feel that appointing will enlarge the "pool" of qualified applicants from which to choose a qualified chief.

The process for issuing building permits for industrial and commercial buildings will change in September of 2003. We will then have to comply with the newly-passed NH State Building Code. Inspection of these buildings will fall under the jurisdiction of the State Fire Marshall.

Finally, we note with sadness the passing in 2002 of four individuals who were a part of our everyday life here in Danbury. They were Bill Brownell, Jim Fifield, Pat Moran and Bob Weeks. We shall miss them all.

Selectmen of Danbury Steven D. Gordon James M. Larkin Alfred "Duke" Reed

#### 2002 DANBURY TOWN MEETING MINUTES

The second Tuesday, March 12, 2002 the polls were open from 11AM to 7PM at the Town Hall for Election of Town Officers and Newfound Area School District Officers and Official Warrant Ballot.

Town Meeting reconvened for the Business Meeting on Thursday, March 14th at

7PM at the Town Hall to vote on the posted warrant.

Meeting was called to order by Moderator, Matthew Denton, followed by the Pledge of Allegiance to the flag. He then read the results of Tuesday's elections for town and school, Article 1 of the Warrant:

To vote on all items appearing in the official ballot. Moderator, Matthew Denton,

announced the results of Tuesday's voting:

360 voters cast their ballots, a 55% turnout of the 650 registered voters. The following town officers were elected:

School District Warrant Articles:	<b>Danbury</b>	Newfound District
Article 2: Expend Trust-Building Maint	Approved	Approved
Article 3: Support Staff Salary Increase	Approved	Approved
Article 4: Contingency Fund	Not Approved	Approved
Article 5: Public Ed Endowmt Fund	Approved	Approved
Article 6: Budget FY '02/'03	Not Approved	Approved

To see if the Town will vote to raise and appropriate the sum of not more than \$70,000.00 for the purchase of a loader/backhoe and accessories to be paid for in the following manner; \$10,000.00 to be expended from the Highway Equipment Capital Reserve Fund, \$10,000.00 to be raised by taxation in 2002 and to issue a long-term note in the amount of \$50,000.00 for a period of four years and to authorize the selectmen to issue and negotiate such note and to determine the rate of interest thereon. Two-thirds ballot vote required. (Recommended by Selectmen, Recommended by Budget Committee)

Motion made to adopt the article by Steven Gordon, seconded by Tammie Phelps. Motion made by James Phelps, seconded by Marion Moulton, to amend and change the way the expenditure is funded to be..." \$10,000 to be expended from the Highway Equipment Capital Reserve Fund, \$20,000 to be raised by taxation in 2002 and to issue a long-term note in the amount of \$40,000 for two years..." Jim passed out a projection sheet on several items, then spoke to the article and projections to lower the interest paid and cut the costs for putting money into capital reserve funds. *Amendment passed by voice vote*.

Article 2 passed as amended by ballot vote with 94 Yes, 8 No.

To see if the Town will vote to enact an "on-call" pay schedule for certified members of the Danbury Volunteer Fire Department and to raise and appropriate the sum of \$9,860.00 fund said program for the year 2002. If adopted, this article will go into affect on June 30, 2002, and the pay schedule would appear within the operating budget of the Danbury Volunteer Fire Department in subsequent years. (Recommended by Selectmen, Not Recommended by Budget Committee)

Motion made by Tammie Phelps, seconded by John Lavorgna to pass the article. The article was spoken to by Tom Austin. There was a period of question and answers by several people, and Jim Phelps spoke for the Budget Committee. While noone appeared to be opposed to the volunteers receiving some type of remuneration, it was apparent that most felt the issue deserved further consideration before approving.

Motion made on whether to move the article by Tom Austin, seconded by Christopher Euerle.

Motion to move the question, Passed.

Article 3 failed by ballot vote with 37 Yes, 72 No.

Motion made by Christopher Braley for the Selectmen to appoint a committee made up of five individuals— one selectman, one budget committee member, the fire chief, and two members of the public and report back for next town meeting with a recommendation. The moderator indicated it was not appropriate to add an article to the warrant, however, it was appropriate to poll the house so the Selectmen would know if it was the will of the people. A non-binding voice vote was given in the affirmative.

4. To see if the town will vote to raise and appropriate the sum of \$693,334 which represents the operating budget. Said sum does not include individual or special articles to be addressed. (Recommended by Budget Committee-693,334; Recommended by Selectmen-704,265)

Motion made to approve article by Mickey McIver, seconded by Penny Dusio.

An amendment was offered, motion made by Christie Phelps, seconded by Jim Phelps to correct a typographical error in Financial Administration, changing \$20,755 to \$21,255. Amendment passed by voice vote. There was a lengthy discussion on the budget which was in detail by Selectman, Steve Gordon. Motion made by Selectman Gordon to increase legal services from \$5,000 to \$7,500, seconded by Debbie L. Phelps. The reason given was that we have two suits brought against the town at the present time. Motion made by Debbie L. Phelps to move the question on the amendment, seconded by Tammie Phelps. Motion to move passed by voice vote, Amended passed by a show of hands, 58 Yes, 27 No. Motion made by Linda Wilson, seconded by Jim Phelps, to increase the Planning Board Budget to include \$200 to include expenses for the Zoning Board of Adjustment. After discussion, Twila Cook made a motion to move

the amendment, seconded by Harold Knott. Amendment failed by a show of hands. Motion made by Selectman, James Larkin, to increase the solid waste budget by \$1,806, seconded by John Lavorgna. Motion failed by voice vote. Terri Towle, Director of the Danbury Community Center thanked everyone for their wonderful support of the Center.

Article 4 passed by voice vote, as amended, in the amount of \$696,334.

5. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be placed in the Records Preservation Capital Reserve. (Recommended by Selectmen, Recommended by Budget Committee)

Motion made by James Phelps, seconded by Doug Colby to pass Article 5.

Article 5 passed by voice vote.

6. To see if the Town will vote to raise and appropriate the sum of \$6,946.00 to be placed into the Police Department Capital Reserve Account previously established. This money is to come from the unreserved fund balance. (Recommended by Selectmen, Not Recommended by Budget Committee)

Motion made by Steven Gordon, seconded by Jon Schurger to pass Article 6.

Motion made to move the question by Doug Colby, seconded by Tammie Phelps, then with-drawn. Motion made by Twila Cook, seconded by Tammie Phelps to amend and correct the wording of the article from Police Department Capital Reserve Account to Police Equipment Capital Reserve Account. Amendment passed. Article 6 passed as amended by voice vote.

7. To see if the Town will vote to authorize the Board of Selectmen, in conjunction with the New Hampshire Municipal Association and/or the New Hampshire Chiefs of Police Association to appoint the police chief commencing in 2003 according to NH RSA 105-1. This article is being presented at the recommendation of the NH Chiefs of Police Association Police Review Committee.

Motion made by Steven Gordon to move article, seconded by Jon Scjurger. After considerable discussion, Motion made to move the question by Christine Gealy, seconded by Audrey

Pellegrino.

Request for ballot vote had previously been received by the Moderator. Article 7 failed by ballot vote, Yes 35, No 42.

8. To see if the Town will vote to authorize the Danbury Board of Selectmen to appoint the Road Agent, according to NH RSA 231.62. If adopted, this article will take effect as of town meeting in 2003.

Motion made by Christopher Eurle, seconded by Dennis Phelps to pass over the article.

Article 8 passed over.

9. To see if the Town will vote to change the elected position of Road Agent from a term of one year to a term of three years. If adopted, this change will take affect as of town meeting in 2003.

Motion made by James Phelps, seconded by Donald Haynes to pass Article 9. After discussion, Motion made by Doug Colby, seconded by Tammie Phelps to move the question.

Article 9 failed by voice vote.

10. To see if the Town will vote to adopt the following 911 Ordinance and authorize the selectmen to assess and collect such fees for non-compliance as set forth in this ordinance.

Whereas the Town of Danbury has adopted a 911 Numbering System and has notified all property owners of their assigned numbers, the rules, regulations and penalties regarding these numbers shall be:

Section 1. Procedures

All owners of primary buildings within the boundaries of the Town of Danbury shall affix, or cause to have affixed, the assigned street number(s) in accordance with this section.

All properties with the primary buildings shall display the assigned street number so as to be readily visible from the street. For primary buildings readily visible from the street, the number(s) shall be conspicuously displayed on the side of the building that faces the street. For primary buildings not readily visible from the street, the assigned street number(s) shall be conspicuously displayed at the point of entry to the property either by vehicular or foot traffic so as to be visible on a yearround basis. The preferred method of display at the point of entry shall be on both sides of a mailbox. However, if a mailbox is not located at the point of entry, or if there is no mailbox, than the assigned street number shall be displayed on a signpost or similar means at the point of entry. Primary building accessed by a common drive shall display the assigned street number(s) on the appropriate building. All street numbers displayed on primary buildings on property shall be of a contrasting color to the means of support so as to make them visible. All street number displayed on primary building or property shall be at least three and one-half (3 ?) inches in height. The size of numbers placed on mailboxes shall be in accordance with the U.S. Postal Service requirements.

Section 2. New Buildings

Whenever a primary building or occupied structure shall be erected or located in the Town of Danbury, designated numbers shall be affixed upon said buildings as provided for by this ordinance. Within 90 days after commencement of the construction of a new primary building, the assigned street number shall be posted so as to be clearly visible from the adjoining street. Temporary numbers may be used until permanent numbers are posted as required by Section 1. Temporary numbers shall be replaced as soon as practicable.

In all cases, local postal officials, assessing office, Town Clerk, Police Department, Fire Department and Ambulance Service shall be advised of street numbers assigned to new subdivisions and structures. Property owners shall advise

the telephone company and other related utilities.

Section III. Penalty

Any property owner who fails to comply with any provision of this ordinance within thirty days of notification from the Danbury Board of Selectmen that he/she is in violation of the ordinance shall be guilty of a violation not to exceed \$100.00 dollars.

Any property owner who shall affix or display upon a structure any number other than that assigned to or pursuant to this ordinance shall be guilty of a violation

with a penalty not to exceed \$100.00 dollars.

This section shall not apply to the display of "date of origin" numbers for historic buildings provided they are displayed so as not to be confused with the assigned street number.

Section IV: Administration

This ordinance shall be administered by the Danbury Board of Selectmen.

Section V. Appeals

Any property owner aggrieved by the implementation or administration of the provisions of this ordinance may appeal to the board of selectmen. All appeals shall be in written form setting forth the basis for the appeal. All appeals shall be acted upon within fifteen days from the date of their receipt by the board of selectmen.

#### Section VI. Effective Date

The above-described ordinance shall take effect on June 30, 2002.

Motion made by Tim Martin, seconded by Jon Schurger to pass over Article 10. Failed by voice vote. After discussion, motion made by Steve Gordon to move the questions, seconded by Jim Phelps. Article failed by voice vote, a request was made for a show of hands. Article 10 passed by a show of hands, 38 Yes, 19 No.

11. To see if the Town will vote to modify the Elderly Exemptions as follows:

65-74 years of age: \$15,000.00 75-79 years of age: \$25,000.00 80+ years of age: \$40,000.00

To qualify, the person must have been a New Hampshire resident for at least five years; own the real estate individually or joints, or if the real estate is owned by his/her spouse, they must have been married for at least five years. In additional the taxpayer must have a net income of less than \$18,000.00 if single, or if married, a combined net income of less than \$25,000.00 and own net assets of no more than \$50,000.00 excluding the value of the person's residential property. Ballot Vote Required

Motion made by Audrey Pellegrino, seconded by Linda Sargent to approve Article 11. After discussion, motion made by Twila Cook to move the question, seconded by Dennis Phelps. Article 11 was passed by required ballot vote with 49 Yes, 4 No.

12. Shall we adopt the provisions of RSA 72:37 FOR THE EXEMPTION FOR THE BLIND FROM THE ASSESSED VALUE OF RESIDENTIAL REAL ESTATE FOR PROPERTY TAX PURPOSES? THIS STATUTE PROVIDES THAT EVERY INHABITANT WHO IS LEGALLY BLIND SHALL BE EXEMPT EACH YEAR, FOR PROPERTY TAX PURPOSES, FROM THE ASSESSED VALUE ON A RESIDENCE TO THE VALUE OF \$15,000.00. Should this article pass, it will take effect as of the date of April 1, 2002. Ballot Vote Required

Motion made by Duke Reed, seconded by Jon Schurger to pass Article 12.

Article 12 passed by required ballot vote, 50 Yes, 2 No.

13. Shall we adopt an exemption for the disabled pursuant to NHRSA 72:37-b&c? The exemption, based on assessed value, for qualified taxpayers shall be \$15,000.00. To qualify, the person must have been a New Hampshire resident for at least five years and own and occupy the real estate individually or jointly, or if the real estate is owned by a spouse, they must have been married for at least five years. In addition, the taxpayer must have a net income of not more than \$20,000.00 if single, or if married, a combined net income of not more than \$40,000.00 and own net assets not in excess of \$50,000.00 excluding the value of the person's residence. Additionally, in order to qualify, the applicant must be eligible under Title II or Title XVI of the federal Social Security Act for benefits to the disabled. Ballot Vote Required

Motion made by Tim Martin to consider Article 13, seconded by Twila Cook. After discussion, motion to move the question made by Sylvia Hill, seconded by Duke Reed.

Article 13 passed by required ballot vote with 35 Yes, 12 No.

To transact any other business that may legally come before this meeting.

There being no other business to come before the meeting, it was adjourned at 12:50AM.

The above is a certified copy of the minutes of Danbury's 2002 Annual Town Meeting.

Respectfully submitted,

Sylvia Hill, Town Clerk

33	Miscellaneous Income	418	1	25
4,291		\$157,477	1,678	\$76,525

I hereby certify that the above return is correct, according to the best of my knowledge. Sylvia Hill, Town Clerk

<u>Clerk & Tax Notes</u>—above is a comparison to 1995 and below are some reflections, changes and accomplishments since September of 1995 when I was first appointed, then elected each year thereafter, as your town clerk and tax collector.

- In the 1960's and 70's families usually owned but one vehicle compared to several now Population has grown from 489 in 1970, 680 in 1980, 881 in 1990, 898 in 1994 to 1,071 in 2000 compared to an estimated 1,200 for the coming year
- Property valuation has grown from \$36,994,582 in 1990 to \$64,444,029 in 2002
- Number of transactions in the Clerk's office—1,679 in 1995 to 4,291 in 2002
- 1995 changed accounting breakdowns for budgeting and reporting to comply with Federal and State Regulations
- 1996 and prior, residents had to travel to another town to complete their registration
- 1997 Danbury could complete most auto renewals
- 1998 reminders <u>doubled</u> the number of dogs licensed in 1995 & they were more timely
- 1998 Danbury began completing transfers & issuing passenger, trailer & motorcycle plates
- 1999 started issuing farm and agricultural plates
- 1999 15-year title law implemented for 1989 & newer vehicles
- 2000 initiated Records Preservation Project utilizing volunteers

- 2001 & 2002 continued on-going Records Preservation
- 2001 Danbury properties were revalued for tax purposes
- 2001 new UCC's are now recorded at the state level, reimbursed to the towns
- 2002 Year one of four-year Certification to become a Certified Town Clerk and Tax Collector was completed with a full scholarship
- 2003 MAIL REMINDERS initiated for renewal of motor vehicles, dogs and dump stickers
- 2003 New dump stickers are in—will be issued with auto renewals
- 2004 MAAP (Municipal Agent Automation Project) to be "on-line" with Dept of Safety
- 2006 Deadline for compliance with new Federal Election Law passed in response to Florida's debacle. Funding to be provided by the State for a computerized database, and by Federal for new booths for the blind, hearing impaired and disabled and electronic voting.

Dogs should be done by April 30<sup>th</sup>! Watch for the Grange Rabies Clinic usually held mid-April!

The mail reminders are being initiated showing amounts due for vehicles so that everyone will have the opportunity to do <u>renewals by mail</u> if they wish. This should also help alleviate any inconvenience caused when more hours were added during the week, but Saturdays closed. Remember, the office is still open one night a week on the same night that the Selectmen meet! The on-line system for motor vehicles has been delayed until 2004 for any towns not already on. Alexandria and Bristol are on-line now making it easier to register vehicles between 8,000 & 18,000 lbs as well as to obtain vanity or moose plates. Some transactions must still be completed in Concord and probably always will!

The records preservation project made a bit of headway this year but the necessary building renovation was put on hold when it was decided more people would like to express their thoughts on how that happens. In the meantime records continue to be generated and destroyed. Thursday afternoons saw shelves partially erected by Ed Roche and Gene Danforth. Also, Louise Huntoon has helped tremendously with reviewing and filing of old documents and reading old script in vital statistics so they can be entered onto the computer for easier retrieval. We've found several helpful "treasures" this year such as old deeds to town properties and the like. There's a long way to go so anyone that would like to volunteer a few hours, call—Thursday afternoons are set aside for records preservation!

May I say that I enjoy working with the citizens and endeavor to improve my professional abilities for the betterment of the Town of Danbury. If you have questions or concerns regarding the Town Clerk and Tax Collectors offices, I encourage you to contact me.

Tax seasons were busy as usual with a disappointing first half computer merge of appraisal records which required lots of extra checking between offices. After deciding to go it on our own, second half went well but the state was late in setting tax rates thus running right through the holiday season and into the new year. The good news was a decreased tax rate for 2002! Next year it is anticipated to increase because the school rates are refigured every two years and our higher appraisals will result in less state revenue. Other towns in the school district are also going through appraisals so those will all be taken into account. The schools are also looking to raise money for renovations, the increase for those may not be felt quite so hard because the current long-term bond is scheduled to paid off. When all goes according to schedule, tax bills should be received by June 1st and November 1st with due dates of July 1st and December 1st.

Office Hours: Monday & Wednesday 8 AM – 4 PM

Tuesday 1 PM – 7 PM

Telephone & Fax: 603-768-5448

The office is equipped with a telephone that has an answering machine that records messages and a fax. E-mail may be sent to <a href="mailto:danburyclerk@juno.com">danburyclerk@juno.com</a>

#### **AUDITOR'S REPORT**

We, the undersigned, have audited the accounts of the Selectmen, Town clerk, Town Treasurer, Tax Collector, Trustees of the Trust Funds, George Gamble Library Trustees and Recreation Department for the Town of Danbury, New Hampshire for the year ended December 31, 2002, and found them to be correct with the exception of some minor issues that are being resolved.

Janet M. Moulton Andrew L. Phelps Town Auditors

## George Gamble Library

Our first thank you goes to Phyllis Wiggin for the years that she served as Treasurer. We wish her good luck! As usual, a thank you to Andy and Frank for always being available to us to do whatever has to be done. We also thank Al Epperly for the help he gave us in setting up our new computer, which was purchased with the money received in memory of Norma West.

Money has been requested under General Government Buildings for some painting and patching that is long past due at the library. It is our hope that the voters will approve this request.

We appreciate people donating books, but we request that you please check with the Librarian before dropping them off to avoid duplication.

Hours are Saturday 12-4 and Wednesday 6-8 (May to September)

## Danbury Planning Board 2002 Report

All of the Danbury Planning Board activities are open to the public, and we welcome visitors. Notices of meetings and hearings are posted at the Town Hall, the Post Office, and the stores, and everyone is invited to attend. We try to have time available at each meeting to hear citizens' concerns and ideas. We thank all the people who have taken time to participate and to share thoughts and ideas with us, both in person and by sending us letters and clippings.

The Planning Board met 25 times in 2002, including regular meetings, work sessions, and public hearings. The board participated in ten "preliminary conceptual consultations" with property owners or their agents, providing technical assistance to familiarize them with the Danbury subdivision requirements; it approved three subdivisions incorporating six lots and granted its first telecommunications facility special use permit. The annual capital improvements program (CIP) hearings for the 2002 budget were held in February 2002, in advance of Town Meeting. The Planning Board also worked on revisions to its 1989 subdivision regulations; site plan review regulations and updating the Master Plan are our priorities for 2003.

Phyllis J. Taylor again served as a Commissioner of the Lakes Region Planning Commission. Phyllis was re-elected Treasurer of the LRPC, and continued to serve on the LRPC Board of Directors and the Commission's Transportation Advisory Committee (TAC). As in previous years, she donated her mileage and travel expenses, for the benefit of the Planning Board and the town. Planning Board membership changed several times throughout the year: member Steve Whitman moved to Plymouth, and alternate Marion Moulton became a member until she moved to Vermont; alternate Albert Epperly was appointed a new member; members Debbie Phelps and Jon Schurger did not run for re-election, and new members Jim Phelps and Barry Tisbert were elected in March. New alternates Gary Donoghue, Gary Fouts, Wayne Maviki and Linford Stiles were appointed, and when member Don Buebendorf resigned, Gary Donoghue was appointed to fill the vacancy. Nicole Miller succeeded Terri Towle as Clerk. Christie Phelps in the Selectmen's Office and Town Clerk/Tax Collector Sylvia Hill remained our constant and highly professional sources of cheerful support, thoughtful perspectives, and excellent assistance. We are also very appreciative of the support the Board of Selectmen have provided. Danbury is fortunate to be a place where local officials work together for the good of the town.

During the year, Planning Board members attended several different planning, land-use, and legal workshops and conferences, and brought back a lot of beneficial information. We especially appreciate the excellent support, encouragement, and recognition that Lakes Region Planning Commission, NH Municipal Association, and the Office of State Planning provide for the town;

we highly value the agencies, their staff and services. It is especially important to us now that there are so many challenges from outside the town that make it harder to keep the rural character we value in Danbury.

Just over a year ago, the Planning Board and townspeople learned that Danbury did not have a two-acre minimum lot size, as we all believed, because the town meeting action in 1981 on two-acre lot sizes was not legally sufficient. Furthermore, the 1989 subdivision regulations relied on state standards that permitted less than two acres per unit for larger residential developments. Meanwhile, a decision by the New Hampshire Supreme Court prevented towns and cities from charging impact fees or requiring developers to provide off-site improvements to alleviate impacts of new development on municipal services and facilities, unless the community adopted an impact fee ordinance. This would mean that, without a zoning and impact fee ordinance, Danbury taxpavers, rather than developers, would be required to subsidize the costs to the town brought about by future development. Faced with this situation, the Selectmen asked the Planning Board to develop a basic Land Use and Zoning Ordinance, including an impact fee section, to be presented to the voters in March 2002. The ordinance was adopted by a ballot vote, and picked up an additional vote on a recount. At the same time, the town also adopted technical amendments to the Floodplain Development.

The Planning Board is working on an amendment to the Land Use & Zoning Ordinance for consideration in 2003. It would provide incentives for clustering as an alternative choice for future development, in order to protect open space, maintain the historic qualities of the village areas, and preserve the town's rural character. Already, New Hampshire communities to the south and east of Danbury are experiencing enormous growth pressures that are consuming the countryside, creating congestion, driving up real estate taxes, and increasing the needs for municipal services. We are trying to learn how to avoid those problems and find ways that would allow Danbury to accommodate new homes and new residents without causing dramatic changes in our community. If you have suggestions that could be helpful, please let us know!

Respectfully submitted,

Linda Ray Wilson Chair, Danbury Planning Board

## **Danbury Town Warrant**

The polls will be open from 11:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Danbury in the County of Merrimack in the State of New Hampshire, qualified to vote in town affairs.

You are hereby notified to meet at the Town Hall in said Danbury on Tuesday the 11<sup>th</sup> day of March next, at eleven A.M. of the clock in the forenoon, to act upon the following issues:

- To choose all necessary Town Officers for the year ensuing. Business Meeting Thursday, March 13, 2002 at 7:00 P.M. at the Danbury Town Hall, 23 High Street
- 2. To see if the Town will vote to raise and appropriate the sum of \$745,972.00 which represents the operating budget. Said sum does not include individual or special articles to be addressed. (Recommended by Selectmen-758,115.00, Recommended by Budget Committee-745,972.00)
- 3. To see if the Town will vote to authorize the Board of Selectmen, in conjunction with the New Hampshire Municipal Association and/or the New Hampshire Chiefs of Police Association to appoint the police chief commencing in 2004 according to NH RSA 105-1. This article is being presented at the recommendation of the NH Chiefs of Police Association Police Review Committee.
- 4. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be placed in the Records Preservation Capital Reserve (Recommended by Selectmen, Recommended by Budget Committee)
- 5. To see if the Town will vote to raise and appropriate the sum of \$800.00 for a comprehensive review of the town's bookkeeping practices. This article is being presented at the request of the Treasurer, Town Clerk and Tax Collector. (Recommended by Selectmen, Recommended by Budget Committee)
- 6. To see if the Town will vote to raise and appropriate the sum of \$2,300.00 for the construction of a covered containment structure for the storage of road salt used by the Danbury Highway Department. (Recommended by Selectmen, Recommended by Budget Committee)
- 7. To see if the Town will vote to designate the Danbury Board of Selectmen as the expending agents on the Highway Equipment Capital Reserve

Fund, previously established.

- 8. To see if the Town will vote to designate the Danbury Board of Selectmen as the expending agents on the Fire Department Capital Reserve Fund, previously established.
- 9. To see if the Town will vote to designate the Danbury Board of Selectmen to be the expending agents on the Police Department Capital Reserve Account, previously established.
- 10. To see if the Town will vote to discontinue the Fire Department Radio Capital Reserve Account established in 1999. There is presently no money in this account to return to the General Fund.
- 11. To see if the Town will vote to authorize the treasurer (per NH RSA 41:29-a), with the approval of the selectmen, to appoint a deputy treasurer. Deputy shall be sworn in and shall have the powers of the treasurer.
- 12. "To see if the Town will vote to send the following resolution to the New Hampshire General Court: Resolved, in its first two years of operation, the Land and Community Heritage Investment Program(LCHIP) has helped communities throughout New Hampshire preserve their natural, cultural and historic resources and, therefore, the State of New Hampshire should maintain funding for LCHIP in its next biennial budget."
- 13. To see if the Town will vote to discontinue the road known as Sedgewick Drive, beginning at the edge of property owned by Wayne Maviki, Sr., and continuing to the road end at the property known as the Estate of Marie Carr. This would be done pursuant to NHRSA 231:43a and has been requested by Mr. Maviki. It should be noted that this portion of the road is in question as to whether or not it is a private or public road at this time. Mr. Maviki wishes to take over the responsibility of this portion of Sedgewick Drive. (This article is offered by petition)
- 14. To see if the Town will vote to discontinue the road known as Chellis Drive, per NH RSA 231:43-a, from the point where it intersects with Jones Hill Road, so called, to its end.
- 15. To see if the town will vote to discontinue the road formerly known as Seaward Drive Extension, per NH RSA 231:43-a, from where it abuts Searle Hill Road to its end, abutting the John Tagliaferro property.
- 16. To see what action the Town will take with regard to the disposition of the so-called "Roller Shed" and property located on the East side of Restful

Road. (This article presented by petition)

- 17. To see if the Town will vote to transfer the transfer station responsibilities to the Danbury Highway Department. (This article presented by petition)
- 18. `To see if the Town will vote to support the following Health Care For New Hampshire Resolution: Whereas, New Hampshire residents pay the 12<sup>th</sup> highest cost of insurance in the country; and, Whereas, the cost of health insurance premiums for families has increased by 45% over the past three years; and Whereas, 100,000 New Hampshire residents have no health coverage and 77% of them have a full-time worker at home; and Whereas, due to these rising costs almost half of New Hampshire's small businesses cannot afford health coverage for their employees, therefore be it resolved

That we, the citizen of Danbury, New Hampshire, call on our elected officials from all levels of government, and those seeking office, to work with consumers, businesses and health care providers to ensure that:

-Everyone, including the self-employed, unemployed, un-and underinsured, and small business owners has access to an affordable basic health plan similar to what federal employees receive;

-Everyone, including employers, consumers and the state, local and federal governments makes a responsible and fair contribution to finance the health care system;

-Everyone receives high quality care that is cost efficient and medically effective; and

-That these efforts help control the skyrocketing cost of health care. (This article is offered by petition)

- 19. To see if the Town will vote to authorize the Board of Selectmen to convey to Al Endriunas two lots located on Deckman's Road, identified in the Town's tax records as Tax Map 416, Lots 43 and 44, in trade for a one-acre parcel of land abutting the current Danbury Elementary School parking lot, identified in the Town's tax records as a portion of Tax Map 201, Lot 113, for the purpose of improving school bus access and egress and parking on the school property, upon such terms and conditions as the Board of Selectmen deem prudent and necessary.
- 20. To transact any other business that might legally come before this meeting.

Steven D. Gordon James M. Larkin Alfred S. Reed

Selectmen of Danbury

### Danbury Police Department Annual Report

The Danbury Police Department has not grown in numbers this year, but has grown professionally by the dedication of its staff. As a result of the police study and review completed early in 2002, the recommendations which were set forth as far as office administration and record keeping were implemented. Staff meetings have been held on a regular basis and attended by all those employed. Schedules have been implemented and adhered to as well. Those recommendations, which pertain to the physical layout of the department, have not been implemented because of the lack of space within the department. Those recommendations include an evidence room, holding area, records room, etc. Officers within the department have attended several training workshops this year and all requirements set forth by Police Standards and Training Council have been met.

In 2002, there were 2701 calls for service, 153.75 hours of training and meetings, visits to a local day care and Danbury Elementary School, and extra patrol on Saturdays. Cruiser hours totaled 1362.26 hours (an increase of approximately 500 hours from 2001) and cruiser miles totaled 16, 458.07 (an increase of approximately 6160 miles from 2001).

We feel that as a department we have strived to be of more service to the community. We plan and hope to continue to provide more in the following year.

Please note the following numbers for the department:

### **EMERGENCY: 911**

Non-Emergency: 768-5568

Fax: 768-9976 e-mail: danburypd@tds.net

Douglas Colby, Jr., Chief Danbury Police Department

### Danbury Fire & Rescue Report

2002 saw a lot of changes for the Danbury Volunteer Fire Department. First and foremost was the smooth merger of the fire department and the Danbury Fast Squad to form the Danbury Fire and Rescue.

With this in mind, Lieutenant T.J. Phelps was promoted to Captain to oversee the in-house and field duties of the EMS service. We would also like to note the appointment of two new Fire Commissioners, Reginald Glines and Bruce Armstrong.

We are always looking for dedicated individuals to add to our ranks. Anyone age 14 to 18 can sign up for the Explorer Program and anyone 18 or older can join the fire department either as a fire fighter or medical personnel, or both.

A new law, effective 01/01/03, prohibits residential incinerators trash burning (RSA-125N). Burn permits may be obtained from the following wardens:

Merton Austin 768-3677 Tom Austin 768-3423 Ioshua Hatch 768-3538

Permits may also be received, for brush burning only, from Christie Phelps at the selectmen's office during regular office hours. Call 768-3313.

I would like to thank the Danbury Community Center for acquiring a grant to make and erect a Smokey the Bear sign for the purpose of posting Fire Danger days.

Calls for 2002 were as follows:

Fire 41 Medical 87
Motor Vehicle 8 Service Calls 6 TOTAL 187
Inspection, training & work nights 45

### TO REPORT A FIRE OR MEDICAL EMERGENCY CALL 911

Merton Austin, Chief

### **PAY-PER-CALL COMMITTEE**

On March 14, 2002, the Town voted "to appoint a committee made up of five individuals—one selectman, one budget committee member, the fire chief, and two members of the public and to have that committee report back to the next town meeting with a recommendation. The committee consisted of James Larkin, Selectman, Charlotte McIver, Budget Committee Member, Donald Haynes, Fire Department Representative, Dale Cook and Harold Knott, Members of the Public.

The Committee met on several occasions and reviewed information gathered from town similar in size and budget to Danbury.

After discussing and reviewing this information, it is our opinion that certified members of the Danbury Volunteer Fire Department, which includes fast squad personnel, be paid an annual stipend, not an "on-call" pay.

### LAKES REGION PLANNING COMMISSION

With a service area covering 1,200 sq. miles in Belknap, Carroll, Grafton and Merrimack Counties, the Lakes Region Planning Commission (LRPC) provides a wide range of planning services to its members. Our work program is as comprehensive as it is full, with activities ranging from technical assistance, geographic information systems, transportation, land use and environmental planning, to economic development. We are funded from multiple sources including local and state government as well as special studies. LRPC is contacted many times each week for answers to local concerns. We also continue to maintain a regular dialogue with state agencies that depend on us as a resource for the entire Lakes Region. Our goal is to provide support and leadership to the region, its governments, business and citizens. Here are some of our services performed on behalf of Danbury and the region in the past fiscal year:

- Attended a working session of the planning board to disucss site plan review regulations.
- Provided six CD ROMs of the 2001-2002 NH Edition Planning and Land Use Regulation books at savings.
- Convened four area commission meetings that focused on Workforce Housing, Community Visioning, Intermodal Transportation Plans and the National Ground Water Institute and Environmental Education.
- ❖ Facilitated regional meetings leader to the construction of the Lakes Region Household Hazardous Product Facility in Wolfeboro.
- Produced the Annual Report on Development Trends in the Lakes Region.
- Updated zoning maps for twenty-seven communities
- \* Participated in Law Lecture Series with NHMA
- Hosted National Flood Insurance Program workshop in cooperation with NHOSP and NHOEM.
- Initiated efforts for groundwater protection and watershed planning.
- Increased capability to work with local communities to produce All Hazard Mitigation Plans.
- Prepared and adopted recommendations for Transportation Enhancement Funding.
- Continued to support the Pemigewasset River Local Advisory Committee.

- Represented the region on several committees including: the NH Transportation Enhancement Advisory Committee, the Statewide steering committee to update the NH Airport System Plan, the Belknap County Economic Development Council and the Northern Rail Task Force, among others.
- Contributed to area efforts interested in forming a Lakes Regional Workforce Housing Action Committee, with participants from the private, municipal and non-profit sectors.
- Convened several meetings of the LRPC Transportation Technical Advisory Committee to improve transportation planning, project development and communication around the region.

It has been a pleasure serving you, and we look forward to continuing our efforts to meet regional needs.

### Pemi-Baker Solid Waste 2002 Annual Report

2002 was an exciting and busy year for the District. First, the District added seven new communities, bring the total membership to twenty towns. The District also expanded its household hazardous waste program, continued to collect oil-based paint and fluorescent light bulbs, while holding its first ever electronics recy-

cling collection program.

The District continued its support of proper household hazardous waste management by coordinating five(5) one-day collection events. Through these collections the District was able to recycle or property dispose of over 7,000 gallons of material. Over 500 household participated in this program. The District also recycled over 20,000 feet of fluorescent light bulbs that were collected at individual transfer stations throughout the year. The District received \$8,206.45 in grant funds from the State of NH's Household Hazardous Waste Program to help offset some of the program's costs.

2002 also saw the District coordinate and sponsor its first ever electronics recycling program, with emphasis being placed on the collection of televisions and computer monitors. These two items contain a cathode ray tube (CRT), which is commonly referred to as the "picture tube". CRT's become waste management issues because they contain lead. A typical 27" TV contains 8 pounds of lead. If CRT's are disposed of in landfills and incinerators, it increases the likelihood of

contaminating groundwater, surface water and air resources.

Realizing the need to offer its citizens a means to recycle televisions, computer monitors and other electronics, the District held two one-day electronics recycling collections in July, one in Littleton and the other in Plymouth. Residents were asked to pay a fee for each electronics item they brought for recycling. The total amount collected for the two days was over 15,000 pounds. It was a very successful program when compared to the results of similar programs held this past year in New Hampshire and Vermont.

In 2003, the District plans to hold HHW collections in the spring (Littleton and Campton/Thornton) and in the fall (Plymouth). It will continue to coordinated the year-round collection of oil-base paint and fluorescent light bulbs and plans to hold electronics recycling collections again as well. The District takes very seriously the need to decrease the toxicity of our sold waste stream. Through these program we feel we are service the needs of our citizens while at the same time doing so in a cost-effective manner. The District will continue to promote its cooperative approach to solid waste and recycling as well. Without a doubt, District communities can minimize the cost of these programs when they work together.

Citizens interested in participating in the development of the District's programs are welcome to attend the District meetings. Information regarding the place and time of meetings is available at all municipal offices.

Respectfully submitted

R. Marsh Morgan, Jr. PBSWD Chairman

### Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department and the State of New Hampshire Division of Forest and Lands cooperate and coordinate to reduce the risk of wildland fires in New Hampshire. To help up assist you, contact your local Forest fire Warden or Fire Department to find out if a permit is required before doing <u>any</u> outside burning. Fire permits are mandatory for all outside burning unless the ground where the burning is to be done (and surrounding areas) is completely covered with snow. Violations of RSA 227-l:17, the fire permit law and other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail, plus suppression cost.

A new law effective January 1, 2003 prohibits residential trash burning (RSA 125-N). Contact New Hampshire Department of Environmental Services at (800) 498-6868 or <a href="https://www.des.state.nh.us">www.des.state.nh.us</a> for more information.

Help us to protect you and our forest resources. Most New Hampshire wildfires are human caused. Homeowners can help protect their homes by maintaining adequate green space around the house and make sure that the house number is correct and visible. Contact your fire department or the New Hampshire Division of Forests and Lands at 222.nhdfl.org or 271-2217 for wildland fire safety information.

### **UNH Cooperative Extension**

The University of New Hampshire Cooperative Extension is your local link to practical, research-based education to people of all ages, helping them make informed decisions that strengthen youth, families and communities, sustain natural resources, forest, wildlife and agriculture, and improve the economy.

Merrimack County residents benefit from a wide range of Extension offerings which include 4-H and youth development programs, monitoring water quality in lakes and rivers, reducing the use of pesticides, parenting programs, land use management, food safety, forest stewardship, family financies, meeting the needs of low income families, strengthening our communites and developing a strong volunteer base hwile providing a wide range of information to citizens. Extension also offers the public an outreach hotline with a toll-free Family, Home & Garden Info Line, staffed Monday through Friday, 9am to 2pm (1-877-398-4769) and it handled a total of 1,198 requests from Merrimack County residents.

Extension staff provide education to forest landowners, food producers and plant growers that help keep their enterprises profitable, thus preserving open space and protecting natural resources. Extension also provides assistance to town planners and boards on zoning issues related to marketing from roadside stands, garden centers, pick-your-own operations and best management practices for the production of agricultural crops and livestock.

A major statewide Extension initiative, Strengthening New Hampshire Communities, has impacted Merrimack County. Extension staff have worked with the communities in a variety of ways. Several Merrimack County towns have participated in Extension's exciting Community Profile process. A Community Profile is a tool to help community members create a vision about what they want their community to be like, and then forms action groups to reach those goals. In addition, Cooperative Extension provides publication notebooks for all town libraries. The Extension currently provides weekly radio spots on WKXL which offer information to the communities throughout the County. Extension information can also be obtained from the Web at ceinfo.unh.edu. Follow-up support is available from UNH Cooperative Extension staff.

Other community efforts include after school programs, teen assessment projects, wellness teams, town office visits, the Master Gardener program, working with town officials to make sure local ordinances are "agriculture-friendly" and assisting schools with maintenance of athletic fields and land-scaped areas.

The staff in Merrimack County includes nine Extension educators, two state specialists and three support staff. Educators reach approximately one of every four families in the county.

### TAPPLY-THOMPSON COMMUNITY CENTER 2002 REPORT TO THE TOWN OF DANBURY

The Staff of the TTCC wishes everyone a Happy & Healthy New Year. 2002 was an exciting year at the TTCC. The steeple on the building was refurbished with funds from the Bristol Federated Church. We no longer have water leaking into the building from the steeple and it looks beautiful.

The Center was pleased to have two student interns from Plymouth State College with us during the year. They did a great job working with us in our After School Open House Program and introduced some new activities as well.

Many new programs were added during the year. We started a Field Hockey Program for boys & girls; added a Pick-Up Basketball Program at the BHVS during the summer months and expanded the size of our Summer Programs.

We want to thank the Newfound Area School District for their continued support of the TTCC and its programs. We hold many of our programs and practices at the local schools to accommodate our growing numbers. During basketball season you will find our program in the Bristol Elementary School, Newfound Memorial Middle School and at the Bridgewater Hebron Village School. We are grateful for their appreciation of the importance of Recreation in the Newfound Area.

The Center still offers many adult programs as well such as Volleyball, Basketball, Karate, Aerobics, Dance classes, Badminton, Scrapbooking, and Senior Lunches. If there is a program you would like to see offered please contact the office at 744-2713 and we will see what we can do. If you would like to teach a class or skill let us know.

Sadly, the Community Center lost its Assistant Director, Chris Pike. Chris has taken a job closer to his home in Weare as a teacher for a High School Alternative Education Program. We wish him well and thank him for his years with the Center. He will be greatly missed.

In closing, the TTCC wishes to thank the many Danbury volunteers that have donated their time and energies by working in our sports leagues, helping with our Haunted Hayride, Santa's Village (we had over 1,000 visitors this year) and our numerous other fundraising and youth activities. Thank you all!! We couldn't do it without you.

Respectfully submitted,

Leslie Dion, Director of Recreation

### Kearsarge Area Council on Aging, Inc.

### **Annual Report**

Kearsarge Area Council on Aging, Inc., (KCOA) is a non-profit organization founded in 1992 with the mission of providing needed services and programs for area citizens over the age of 55 (and adults who through disability may need assistance) thus enhancing the quality of their lives. Its service area includes the towns of Andover, Danbury, Grantham, Newbury, New London, Springfield, Sunapee, Sutton and Wilmot. With the exception of day and overnight trips, COA charges no program or activity fees and provides free membership to all who are eligible. As of December 2002, KCOA had approximately 1600 members.

The past year has been an important one in KCOA'S history. On September 14, KCOA celebrated its 10<sup>th</sup> birthday with a party on the New London green attended by more than 200. What was started in a small office in August 1992 by founders Phebe Downey, Julie Farnham and a few dedicated volunteers had at the end of its first decade become a thriving organization with 300 volunteers managing more than 30 distinct programs and services that help our area seniors remain independent and contributing members of the Kearsarge/Lake Sunapee Area Community.

Our programs continue to grow in number and attendance. The Computer Workshop remains active year round, making constant use of the 8 new Dell computers so generously donated this past summer. Memoir Writing courses and book discussion groups are fully subscribed. The Outdoor Recreation for Seniors (ORFS) program with 70 participants continues to meet weekly for hikes, canoeing, kayaking, snowshoeing and, best of all, the enjoyment of each other's company. The weekly get-togethers for duplicate and contract bridge, scrabble, cribbage and other games as well as the crafts and indoor exercise programs are all well attended.

During 2002, KCOA'S volunteer drivers provided more than 40,000 miles of free door-to-door rides. All of these trips were important in enhancing some senior's life. But it should be noted that many were critical. The KCOA volunteer drivers were in many cases the only means that some of our members had to get to Dartmouth-Hitchcock and Concord hospitals for dialysis, radiation, chemotherapy and other vital treatments. KCOA is very proud of its volunteer drivers and believes the regional community owes them a vote of thanks.

On the occasion of its 10th birthday, KCOA announced that it had acquired the right to purchase the 4,800 sq. ft. office building at 5 North Pleasant Street in New London. By obtaining the right to buy this property, KCOA ended a two year search for a new KCOA center. In November 2002, KCOA started the first phase of a \$1,000,000 Building Fund Campaign through which the Council

hopes to purchase the building and establish a fund for its future maintenance. Early indications are that the campaign has an excellent chance of success. The move to these new quarters, planned for the second half of 2003, will allow KCOA to continue to fulfill its mission of enriching the lives of area seniors for many years to come.

KCOA appreciates very much the annual grants by which each town administration supports the work of the Council. KCOA also would like to acknowledge all of the individuals, businesses, civic organizations and foundations that respond so generously to KCOA's annual appeal for operating funds. KCOA considers it a privilege to serve all of our communities and thanks all of you for the generosity that allows us to carry on our work.

Respectfully submitted,

Roger Zanes, Chairman December 20, 2002

### Danbury Community Center Report, 2002

The best word to describe 2002 at the Danbury Community Center is growth. We grew in so many ways last year; we are bursting at the seams. Attendance at programs increased – more seniors at lunches and lectures, more children in all of our after-school programs (including our summer program enrollment – 63 children!!) and more volunteers than ever. The number of programs increased, from Commodity Foods for income eligible residents to a College Adventure program for children grades 5 – 10 to a new preschool program. Our fundraising events and dollars also grew, with new events like a book sale, Mission: Impizzable and a 24-hour youth marathon, and the growth of old favorites like the Turkey Raffle and Town Wide Yard Sale. Funding from other sources also took a dramatic rise, with the award of grants from PlusTime NH, Nellie Mae, NH Department of Education (21st Century Community Learning Center), Bristol Rotary Club, Twin Rivers Youth Connection (part of the Caring Community Network of the Twin Rivers), Lakes Region Charitable Foundation and Newfound Area Nursing Association. Recognition for our programs and mission also increased, with several articles written on the community center, and an award for "Outstanding Out-of-School Time Programming" from the Governor's Kids Cabinet and PlusTime NH, and a citation from the governor of New Hampshire.

Our guess is that growth will be the best way to describe 2003 as well. We are only five years old, and like any five year old, now is when we learn and grow at an even faster rate. With an increase in financial support from donors and granting organizations, we can now focus on long-term sustainability (so we can be here in twenty years), and even more growth. Our plans for expansion in 2003 include more adult, family and senior programming (and more grant supported activities in these areas) and grant supported increases in our youth programming.

None, absolutely none, of this growth in our past, present or future, would be possible without the continued support of the citizens of Danbury. From our dedicated board members, now too numerous to list, to our ever increasing number of volunteers and donors, I would guess that there is not one person in Danbury who has not supported us in some way over the past five years. The amount of donations of time, goods, services, support and volunteer hours alone make us one of the most envied non-profits in New Hampshire. You should be proud to know that the DCC is a model for many other small towns trying to create programs and community centers for their citizens, and we are the envy of many large organizations that cannot believe the support we receive from our community.

So, thank you, Danbury, so much, for your support over the last year, and the last five years. Please call the center or one of our board members if you have any suggestions or ideas on ways to improve and increase our programs and services. We are growing with you and your needs, and sincerely appreciate your continued support.

Sincerely Submitted by Terri Towle, Center Director, on behalf of the Danbury Community Center Board of Directors and staff.

### Lakes Sunapee Region Visiting Nurse Association

Lake Sunapee Region Visiting Nurse Association has the opportunity on a daily basis to make a real difference in our community and to provide services that are significant. We try to strengthen your ability to achieve what is valuable to you through our highly skilled clinical services, the caring touch of our staff and volunteers, through our technology, our health education, and our support programs.

We know that home care keeps families together...there is no more important social value. We know that home care helps preserve the independence of the elderly and prevents or postpones institutionalization. Home care promotes healing, provides support and symptom management for the dying, and allows acutely and chronically ill children to be at home, and sometimes even to continue to attend school.

During the past year all of us at Lake Sunapee Region VNA worked to ensure that we carried out our mission to collaborate with physicians and others to provide needed home health and hospice services that preserve dignity and independence; and to sponsor a work environment of excellence for our employees.

Medicare and private insurance companies continue to focus on decreasing costs to control government spending and to keep premiums affordable. This is a difficult task that puts additional burdens on health care providers daily. We also face increasing staff shortages, especially in nursing. In order to deal with this reality, Lake Sunapee Region VNA continued to invest in technology that allows us to become more efficient. Technology investments ranged from monitoring units in the home, to personal emergency response units, to laptop technology for the staff that makes documenting care and complying with regulations more efficient. We also invested in training our staff to ensure that they have the most up to date skills and competencies to meet the ever-changing demands in the home. Finally, we partnered with other organizations to develop new models of care such as our Bringing Children Home project. This initiative links five home care agencies with other providers to develop systems and skills that will allow us to care for very sick children and keep them at home with their families as much as possible. One father stated, "your services allowed us to be a family again".

We hope that if you or someone you know received care during the past year from Lake Sunapee Region VNA, that it was a service that had value to you and your family. Following is a list of a few of the community benefit services we provided for residents in your community:

Caregiver Training programs
Adult and Children's Bereavement Support

Health Education programs Parent-Child Support Group

Administration of the LifeLine program

Daily monitoring of acutely and chronically ill patients through telemedicine Mentoring of student nurses, licensed nursing assistants and therapists Medications for low income children

Site for Kearsarge Food Pantry

Meeting space for outside groups

File of Life kits and emergency preparedness teaching for each patient Hospice Volunteer Training

During the past year 186 residents of Danbury utilized our services. Adults and children needing home care and hospice services received 850 visits. In addition, people needing long-term assistance received 303 hours of care. LifeLine monitoring was provided for 5 people, and 8 residents used our HomMed vital sign monitoring program. We are grateful for the loyal support of our towns, individual and business donors. You make it possible for us to continue our mission in this community.

Respectfully,

Andrea Steel President and CEO

### **Cemetery Report**

We would like to take this opportunity to thank all who have helped us improve and maintain the quality of our cemeteries. Decayed trees were taken down with minimal costs due to the efforts of Jim Hjermstad and Noel Phelps. Of course, we had the use of the highway equipment, and we appreciate the cooperation that exists with the other town employees.

At the Eastern Cemetery, the concrete wall was beyond repair. We removed the piers and wall on the South end, constructed two new block piers and rehung the gates. We are now in the process of building a stone wall. Jeremy Martin, Noel Phelps and Andy Phelps have been working hard on this project and hope to complete the task within two years, to have it done in 2003 would be even better.

We wish to thank the abutting property owners who keep the stone walls separating the cemetery from their land clear of debris.

Please note the following:

Winter wreaths, etc. will be removed beginning April 5, 2003.
Fall cleanup of plants and flowers will begin November 23, 2003.
The sexton must be consulted prior to the installation of any stones and/or monuments.

We appreciate your cooperation.

Cemetery Trustees: Tim Martin, Jeremy Martin & Joshua Hatch

Cemetery Sexton: Andy Phelps
